## **DETAILED ACTION**

Applicant's amendment dated 05/18/2006 has been received and entered. By the amendment, claims 1, 4, 6-9 and 14-23 are now pending in the application. Claims 5, 10-13 and 24-53 stand withdrawn from consideration.

Claims 1, 4, 6-9 and 14-23 are allowed.

This application is in condition for allowance except for the presence of claims 46-53 are directed to an invention non-elected with traverse in the reply filed on 12/06/2005. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144).

In addition, the non-elected claim 24 would be allowable if claim 24 is revised and amended to include the allowable limitation from claim 26. Therefore, claims 24 and 27-45 would be rejoined and allowed.

Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.
